STANSTED

AEROZONE STANSTED is MAG's flagship community project at Stansted Airport. Its aim is to encourage children to consider choosing a career in the aviation industry when they leave full time education. A particular focus will be to boost talent and increase interest in STEM subjects.

MAG
£500,000
Investment

5-18

A flexible resource suitable for 5-18 year olds

AIMING HIGH

Target of 5,000 visitors by 2016
